CALAVERAS COUNCIL
of GOVERNMENTS

TO: Council Members
FROM: Brittany Odermann, Transportation Planner
DATE: January 30, 2006
SUBJECT: Unmet Transit Needs – Public Hearing

SUMMARY

As required by the Transportation Development Act (TDA), the Calaveras Council of Governments (CCOG) annually conducts a public hearing before the Council to provide the public a forum to address any unmet transit needs in the County.

This hearing is the last of three public hearings held throughout the County between January 12th and February 8th. Members of the public are welcome to appear in person at the hearing or submit written testimony by mail, email, fax or in person at the CCOG office.

Additional public hearings were held in Rail Road Flat and Copperopolis. Public notices for all meetings were published in the Calaveras Enterprise. Flyers with the date, time, and location of each hearing were placed on transit vehicles, and in select public areas. A request for public comment flyer was also distributed at the public hearings, to various social service providers, and to MV Transit for placement in transit vehicles. The CCOG will include any comments received through February 2006 in the Unmet Transit Needs Report.

Following this public hearing, the information presented will be summarized by the CCOG staff and presented to the Council in a report with recommendations at the April meeting for possible action.
