**TO:** Council Members

**ATTACHMENT 15b-1**

**FROM:** Executive Director

**DATE:** February 1, 2006

**SUBJECT: Wagon Trail Realignment – Project Charter Principles and Guidelines**

**RECOMMENDATION**

It is recommended the Council accept the State Route 4 Wagon Trail Realignment Project Charter and the Principles and Guidelines after review and consideration of any additional comments to be included in the documents.

**BACKGROUND**

The purpose of this charter is to reach agreement between Calaveras Council of Governments and California Department of Transportation regarding the development of the Project Approval and Environmental Documentation (PA&ED) of the State Route 4 Wagon Trail Realignment project by clearly stating the roles and responsibilities of each agency. This charter also contains project principles and guidelines which document the characteristics of the landscape and surrounding area desired to be preserved through specific design considerations.
